Hey Morgan,
It was a pleasure meeting you and your family. And congratulations on taking the next step of your life. As this chapter of your life through high school closes, another chapter of your life opens. I wish you the best of luck with your dreams of being a famous country singer. Just keep chasin' that neon rainbow and livin' that honky tonk dream.

Morgan,
We watched you grow up right before our eyes. We've seen you go through good times and bad times. It's made you who you are. We've heard songs that you've written, and you have that heart and soul that country music once had. We love you so much and when you make it to Tennessee, we're going to hoop and holler and say, "we knew him as a youngin." Congratulations, Morgan!

For Our Son

There's a very special place within our hearts reserved only for you. It's a place where we store precious memories of your childhood. The little things you said or did that endeared you to us, the sound of your laughter, the sight of you tears. All of this we have saved. Those years were so precious, but, oh, how quickly they passed!

Now, before us stands our son no longer a boy but a man. As we look at you, we want you to know that we are filled with pride for the fine, decent person that you have become. Even though all of this happened too fast. We are grateful beyond words for the happiness which you have brought to us. We love you deeply Son and we want to thank you for adding so much joy and laughter to our lives.

Love,
Momma, Daddy, Kayla, & Granny

I am... leaving a note.

I am...is a statement that only you as an individual can define. I am... all smiles all day long, ...a future tooth doctor, ...about to pull my hair out because of research papers, ...my best friend's best friend, ...and always will be an EHS quarterback, ...first chair clarinet, ...in love with teaching. From year to year, elementary to high school, student to teacher, your "I am" changes as your journey through life progresses. As you go through this journey, whether good or bad, it helps shape who you are in the end. Regardless of your destination, one "I am" is true for everyone that passes through the halls of Elba City Schools... *I am an Elba Tiger.*
